# Group Lessons For Suzuki Violin And Viola

## Synopsis

A compilation of violin and viola repertory group lesson ideas, planned to reinforce what is learned at individual lessons at home. This 84-page book is organized according to students' ability levels from pre-Twinkle through Volume 4. Each chapter contains an introduction, suggested warm-up activities, and appropriate ideas for working toward these goals: posture, concentration and coordination, right hand techniques, left hand techniques, and musicality. Activities for combined violin and viola groups, and suggestions for the end of the group lesson wrap up each section of the book. This is an attractive and useful book with an emphasis on ideas. Photographs help to illustrate concepts.

## Customer Reviews

Great resource to review and learn new activities for upper string group classes. Some of the activities can be used for lower strings too!

I got this promptly, and it looked great. Thanks!

There are some great ideas here but overall it may be a bit outdated for more progressive classrooms. Still worth the purchase, especially for teachers who are creative enough to adapt these ideas for a modern classroom.
