Aerosmith: Hard Rock Superstars (Rebels Of Rock (Paperback))

Synopsis

On March 19, 2001, Aerosmith rocked New York City's Waldorf-Astoria hotel. But it wasn't just another concert. After over thirty years performing together, Aerosmith had made it to the Rock and Roll Hall of Fame. Through good times and bad, band members Steven Tyler, Joe Perry, Tom Hamilton, Brad Whitford, and Joey Kramer know how to rock. Read about their lives and how Aerosmith formed, and almost fell apart.

Product Dimensions: 6.2 x 0.3 x 9.1 inches

Shipping Weight: 8 ounces (View shipping rates and policies)

Average Customer Review: 4.0 out of 5 stars 1 customer review

Best Sellers Rank: #3,768,938 in Books (See Top 100 in Books) #93 in [Books > Children's Books > Arts, Music & Photography > Music > Rock](#) #791 in [Books > Children's Books > Biographies > Musical](#)

Age Range: 11 - 14 years

Grade Level: 5 - 9

Customer Reviews

Gr 7 Up-Avid fans of rock music will find these titles appealing, entertaining, and enlightening. Each book begins with a brief introduction to the band through an account of a major musical event. Subsequent chapters include short biographies of the various band members. Black Sabbath musicians grew up in Birmingham, England, and came from poor working-class families. The Ramones were not related, although they all lived in the same apartment complex in Queens, New York. Aerosmith formed more by chance and the group members always seemed at odds with one another. Direct quotes add life to the well-written and lively narratives, communicating dramatic highs and lows, tensions, disagreements, and personnel changes, as well as drug use, alcohol, and personal relationships. Descriptions and analyses of the music and albums offer insight into the impact each band had on today's rock music. These volumes are attractively formatted with black

and gray silhouettes of concertgoers running along the bottom edges of the pages and have copious color photos of the performers in action.-Susan Shaver, Hemingford Public Schools, NE (c) Copyright 2010. "Avid fans of rock music will find (this) appealing, entertaining, and enlightening. ... well-written and lively narratives." --School Library Journal

This is a kid's book and I did not understand that when I purchased it. I may have missed something. Anyway, I am a teacher so my students are now reporting on Aerosmith! It does not mention that it is a kid's book on the cover and I don't recall reading anything about it being for young kids when I ordered it. Then again, I may have not read the whole description. It is a nice book for young teens. It was packaged nicely and arrived quickly. Thank you.
