Her Best Friend's Sister

Synopsis

At 12-years-old, Claire Barker developed a massive crush on her best friend Sarah's older sister, the handsome, butch Alex Williams. Now 27 and a successful entrepreneur, Claire's interest hasn't waned - despite Alex's fashion photography career keeping her overseas for months at a time. When Alex moves home unexpectedly, she and Claire end up enjoying a surprise, wine-fueled reunion that alters their relationship forever. Are Claire's dreams about to come true, or will real life prove to be more complicated than her fantasies?

Best Sellers Rank: #77 in Books > Gay & Lesbian > Literature & Fiction > Fiction > Lesbian
#82 in Books > Gay & Lesbian > Literature & Fiction > Fiction > Romance > Lesbian #519
in Books > Audible Audiobooks > Romance

Customer Reviews

I want to say this wasn't as good as O'Brian's other novel's but that's assuming that's what this is. In the intro she explains that this started as a short story that got away from her and that's a perfect description. This is a great erotic short story... Until it stops being a short story. I'm a huge fan of Meghan O'Brian and I'm always eager to snatch up her work and sink myself into her world's. Her erotic tilt is ever present but it's always natural feeling and incredibly sexy spice to the already engrossing story. Her characters have always lived on the page for me and felt like real (albeit incredibly horny) people. This is how this short story begins. The fun light mood and fast pace of a short story makes it interesting and easy. The characters are understandably in a hurry and there's no time for build up. Then the short story ends.. Except it doesn't. It keeps going while keeping the short story feel. Quick calls to action and undeveloped emotions while churning to produce a bit of build up and instead creating a confusing plot and strange emotional diving boards. Don't get me

wrong it's still got the flare and realness that I contribute to O'Brien s work but instead of this feeling like people it instead felt like actors getting lost in a script and rushing through it hitting highlights and conflicts them just mumbling through the connection's. I'm still very much a Meghan O'Brien fan but I may steer clear of anymore long short stories.

Although the sex scenes were very well written, that was all that there was in this book. There was no plot, and no further development to the characters or the storyline. The crazy ex girlfriend was simply thrown in there to try to add pages and a bit of drama which truly took away from the book. If you like erotica masquerading as romance, then this book is for you. If you want something more than just sex scenes on 90% of the pages, then don't waste your time on this one...

Although I would have enjoyed more development of the storyline outside of the bedroom, perhaps more storyline before ending the book, I did appreciate the emotional element in the bedroom toward the end of the book. No secret the book was hot, I was glad there was emotional depth illustrating tenderness and vulnerability. Overall, it was a nice read.

Meghan O'Brien is one of my all time favorite Lesbian Romance authors. This one doesn't disappoint. I bought a copy for myself and my friend who just married her long time girlfriend. We both LOVED this book!!

I couldn't give this a 5 star. Like anyone else I like a good steamy scene. But not when the characters are going at it 24/7. There wasn't much of a storyline to this one. The ex girlfriend was way out there. I have wild and thought I would like this one. I am not saying this book was bad....I just learned not my thing.

Must have been in the mood when I stumbled across Meghan O'Brien but I honestly enjoy her steamy romps despite their little character development. Keep going girl!

All I can say is WOW and hot hot hot:)))Time for a long run and cold shower maybe 2

I love this book. It is very hot and spicy. I would recommend it to all lesbians, single and in relationships.
