Customer Reviews

If it contains flours and grains, Donna Rathmell German has probably written a book about it! She is the leading expert on bread machine baking, and the author of many books on the subject, including The Bread Machine Cookbook series, The Pasta Machine Cookbook, The Best Pizza is Made at Home and The New Book of Waffles and Pizzelles.

EVERY BOOK FOR THE BREAD MACHINE IS GREAT. I HAVE NEVER BEEN DISAPPOINTED IN A BOOK PURCHASE FROM .IF YOU TRY IT!!!A LITTLE MONEY FOR GREATEST RECIPES EVER WRITTEN!!!!!!!!!!!!!!!!!!!!!!I PURCHASE THESE RECIPE BOOKS. THEY ARE OLD IN PRINT AND I WONDER WHY THIS AUTHOR DOES NOT PLACE ANOTHERBEST SELLER?? I THINK SHE SHOULD MAKE A 2017 BOOK. NO MATTER HOW LITTLE THE MONEY YOU INVEST, IT WILL SAVE YOU IN MAKING MISTAKES WITH YOUR BREAD MACHINE RECIPES.I HOPE THE AUTHOR WILL READ THIS POST.MICKEYITALY3@AOL.COM

It good cookbook

I had bought this book years ago but lost it. I loved the bead recipes and wanted to have the book again.

Good way to branch out with your bread machine. It's not just for loaves. I love my zojirushi machine and now can use it for more. Make buns from sweet dough recipe in users manual. Scrumptious. Haven't bought bread for 4 years since bought machine. Gread investment. With this book I can even branch out more. Mmm toaster muffins and soft pretzels! Can't wait!

Great bread book. Have the series. This was a gift.

I have the first and second edition of these books, love them and have used them for years. When a friend mentioned that she had a machine and had not used it, I knew the immediate solution - an easy how to. In the hunt, I was able to get myself a new batch of breads to try.

Love this book. Easy to follow recipes!

Nothing very new or interesting. Donated the book to my local library.
