Slow Cooker Cookbook For Two: Easy And Delicious Slow Cooker Recipes For Ready-to-Eat One Pot Meals

Synopsis

Slow Cooker Cookbook for Two uses simple ingredients, short ingredient lists, and even simpler directions to create nutritious and delicious meals. Whether you're an empty nester, a busy professional, a part of a very hungry, far too busy couple, or just out there on your own, this book offers something nutritious and wholesome for you. Your fast food temptation can fly out the window. Throughout this book, from breakfasts for two, to soups, stews, chilies, to chicken, seafood, beef, pork, vegetarian, and even dessert options, each recipe offers simple instructions, the amount of time, as well as a serving count of just four or two (far less than the ordinary 8 or 10). You don't have many mouths to feed – thankfully – and you won't have too much leftover. Gone are the days of wastefulness. And quick, nutritious, healthy, and easy meals are yours to stay. Good luck on your healthy and nutritious journey.

Customer Reviews

This book is so colorful and helpful.

I am very disappointed in the book. There are only a few recipes In the book I like. The only pictures is on the cover.

Ok
