What the hell was wrong with Shadow. Like how you do your girl like that. Than her talkative ass. But it's Shadow fought. Than Blaze what can I say. I don't know which brother I like the most. This is a Must read.

Of started off good. Then toward the middle and end too much was happening. Almost like trying to keep the book exciting and interesting that everyone life started to spiral out of control. Idk. Maybe its just me

I just love these brothers!!! I love their loyalty to each other but I think they daddy hella shady though. This definitely kept me all the way in. On to the next one!!!

This was a really good book. I absolutely love Blaze's crazy self. He is hilarious. There are so many things that I have questions about. The book was well written, and kept my attention. All the Hoover brothers are the man in their own way. I can't wait for part 2 because I need to see what's going to happen.

Hmm. Now let's see where do I want to start! These dudes all got issues for one. For two, their mom is ratchet but I like her. For three I'm glad that they don't just trust any female that they meet. All in all, the book was bomb as hell. Blaze is my bae. KB Cole better fall back. Waiting for part 2 Like...
