Synopsis

In this fully revised, expanded, and updated edition of her bestselling camping guide, Jayne Seagrave lays the groundwork for anyone planning to get out of the city and explore the best that nature has to offer. Whether you're camping with kids, travelling in an RV, or looking for a comfort upgrade, *Camping in British Columbia and the Yukon* offers over 150 possibilities for campers of every age and experience level. Learn which campgrounds have interpretive programs, playgrounds, and safe swimming beaches; pick out parks with flush toilets, hot showers, and nearby restaurants; or find out which campgrounds are RV accessible. Like Jayne's classic *Camping in British Columbia*, this book lists the location, amenities, and recreational activities of every national and provincial campground in BC and in this new edition she expands her listing to include the national and territorial campgrounds of the Yukon! Campgrounds are listed alphabetically with clear maps and directions.
