Good price for the book. My daughter will be speaking French in no time. Highly recommended.

book is in great condition

perfect price

Not organized in a manner conducive to learning the language for my wife and me even though used as a text in a French class. Expects you to divine word meanings from context with no organized vocabulary building or proper conjugation of verbs. Lots of pretty pictures.

progressive and well structured method

as describe, excellent and fast delivery

Very good price for quality of the book

perfect
