Customer Reviews

My nephew uses this book for school. great.

It was wonderful! Thank you

It was just what we wanted.

:)

Excellent

Great

All as expected with delivery and quality of product.

Student who "lost" her book, or as she stated "someone took it," found her book. She felt foolish that I had purchased the book and now it wasn't needed. I chose to keep the book anyway just in case one of our other students "loses" one.
