1st Edition Scale - 1:600,000 Indonesia is a huge and varied country of many islands and many cultures. The Javanese dominate the country. Not only is the island centrally located, but the rich soil and hard-working people has turned the island into the economic powerhouse driving the country s economy. Indonesia s capital, Jakarta, is located on the island s north shore, and is the subject of a separate ITM map. This map concentrates on the island s many charms: the temples of Yogyakarta, the colonial architecture of Surabaya, and the rustic charm of mountainous East Java. The map abounds in insets, including central Jakarta at 1:25 000, but also Cirebon, Bandung, and Solo, Semarang, Surabaya, Yogyakarta, Malang, and Yoga to Prambanan at 1:90,000, and the Dieng Plateau at 1:35,000. The famous island of Krakatoa is also included. This map is double-sided (east/west). ITMB also publishes maps of Indonesia as a country, Bali and Lombok, the Kalimantan province on our Borneo map, and is working on maps of Jakarta
