Pilgrims Guide To The Lands Of St Paul: Greece, Turkey, Malta, Cyprus (Pilgrim's Guides)

Synopsis

This book in the Pilgrim's Guide series is a fascinating tour of five of the modern-day countries visited by those who wish to follow in the footsteps of the apostle Paul. All of the Pauline sites are covered. While each country is featured in its own chapter in order to follow the most likely itineraries of present-day travelers, the story of Paul's conversion on the road to Damascus, which led to his four missionary journeys, is covered in introductory sections. Like all the guides in this series, this is profusely illustrated in full color with over twenty-five photographs, and several maps and plans. It is an essential aid to prepare for a pilgrimage and a quality souvenir of many lasting memories.

Customer Reviews

The authors have between them visited all of the countries featured in this guide on many occasions, taking with them church groups and leaders on pilgrimage tours.

An ordained Pastor, Ray Goodburn has worked as a teacher of religious education, and for the past fifteen years, has organized and led numerous pilgrimage groups in several countries. David Houseley has organized pilgrimages for over thirty years.

I am enjoying this book to plan trips within the region. It covers a fair amount of ground but in general terms. I plan to use it with a more detailed guide when I travel.
