Heaven Is A Breath Away: An Unexpected Journey To Heaven And Back

Synopsis

When a massive pileup on an Arizona highway caused Valerie Paters and her Jeep to be entombed beneath a semi truck in a blinding snowstorm, it seemed certain that her life would soon end. Once extracted from the mangled metal, and suffering from massive injuries, Valerie was hospitalized and placed on life support while doctors waited to harvest her organs. But Valerie was more alive than she had ever been. As she stood in the radiant presence of Jesus, He wrapped her into Himself, assuring her of His love and of the promise that heaven is only a breath away. *Heaven Is a Breath Away* is a thrilling firsthand account of the home that awaits Christians when they draw their last breath here on earth. With open arms, Christ welcomes to heaven those who belong to Him. Rarely has this vision been told in such exquisite detail. It will undoubtedly comfort those who have lost loved ones or are near death themselves. *Heaven Is a Breath Away* gives hope and encourages faith by sharing the heaven Jesus promised—a real place, magnificent in scope and beauty, permeated with iridescence, and alive with divine energy and love.

A great book about a seemingly impossible recovery from a horrible accident. I think the message Jesus gave Valarie is he wanted us to know He loves us and is intimately involved in loving us and knowing our needs. A beautiful story. I enjoyed reading Valarie and Cheryl's story.

this book was good, gave you an idea of what Valerie's experience was as well as her family. At times it dragged out too much. But all in all if you're wondering about life after death this is a very good read

Absolutely loved this heart warming story about a personal encounter with Jesus after an accident. Have read about 10 great Heaven books and am fully aware now of what an exciting journey is ahead of us who believe in our Lord. Read it if you have the time. You will be encouraged and informed.

If you ever doubted that Jesus loves you or if you are worthy to receive Jesus love, read and /or listen to the audio. This is the first book I read with the audio and hearing it read gave it even more meaning. I highly recommend this book.

This is an inspiring book about the joys of how wonderful heaven will be for believers. Loved the way it is written.

I am a near death, hell survivor, so I do love to read testimonies of others' experience, beyond this world. This book, once you got used to the character shifts of the chapters, was another blessed account of the Lord's graciousness, revealing even more of experiences there will be in Paradise with Him!!! It must surely be worth all the pain suffered, Valarie, now that the book is finished and lives are being changed by the power of the Living and True God. Buy this book people!!! :o)

This book has great impact and has touched the depth of my being. Oh! to know the joy of hearing Him say, "Don't you know how much I love you?"

It answered my questions about how I was "in" Christ and how God looked at me and only saw Jesus. This book graphically shows how very much we are loved by Him.
