The Unquenchable Worshipper: Coming Back To The Heart Of Worship (The Worship Series)

Synopsis

The Unquenchable Worshipper issues a passionate call for a return to an unadulterated, first-love lifestyle of worship. In his first book release, respected worship leader and songwriter Matt Redman writes: "The revelation of God is the fuel for the fire of our worship. And there is always more fuel for the fire. When we open the eyes of our heart, God's revelation comes flying at us from so many different angles." Open the eyes of your heart and let the gut-level message of The Unquenchable Worshipper cause you, like martyred missionary Jim Elliot, to say, "Saturate me with the oil of Thy Spirit, that I may be aflame. Make me Thy fuel O flame of God." It's time to dive into the heart of worship--will you take the plunge?

This book is about a certain kind of worshipper. Unquenchable. Unstoppable. Undignified. Undone. On a quest to bring glory and pleasure to God, these worshippers will not allow themselves to be distracted or defeated. They long for their hearts, lives and songs to be the kind of offerings God is looking for. At life's apex or at it's lowest ebb, an unquenchable worshipper is one who rests in an underlying trust in God and worships before an audience of One. Enter the place where your fire for God cannot be washed away. Become an unpredictable, undivided, unquenchable worshipper.

MATT REDMAN is the writer of many songs including "The Heart of Worship," "Better Is One Day," "Let My Words Be Few," and "Blessed Be Your Name." Matt has been leading worship full time since age 20, and this journey has taken him to many countries around the world. As an author, he has written six books revolving around the central theme of worship, including *The Unquenchable Worshipper* and *Facedown*. Matt, his wife, Beth, and their five children reside in Brighton, England.

What has worship become? To many, WORSHIP is the time before the sermon in most churches. Worship might be a certain kind of music that gives you goose bumps and makes you feel "good". In any case the use of this word is nearly synonymous with music or singing praise to God. The singing that takes place in corporate worship is quite valuable, but it pales in the light of the true worshiper. This true worshiper is one that gives every effort and every part of his life as a sacrifice. Each thing is done as unto Jesus himself. Matt Redman does what I find near the top in valuing an author or speaker. He reveals his heart. He is transparent. He writes about times of confusion and talks about mistakes. He has made himself humble after climbing to the top. *The Unquenchable Worshipper: Coming Back to the Heart of Worship* is valuable and applicable to your life. Although portions are directed to "lead worshipers", the advice is not intended to address the "up front crowd" alone but every believer in Jesus Christ. This little book will enhance your life and could be shared with friends and family to help us all see that worship is "more than a song".

This book spoke volumes to me when originally published and really challenged my thoughts (in a good way) on being a worship leader. I loaned my copy out and don't know where it roamed but I wanted to read it again so I purchased another copy on . I would say it's a necessary read for any worshipper. It is a quick book to read, but not the kind you want to sit and digest in 1 sitting.

I highly recommend this little book for its insight and its heart to Seek GOD and to find Him when you seek Him with all your heart. Though he is my favorite male Christian singer/song writer and this book is about worship the heart of the book is Jesus and knowing Him and laying aside the sin that so easily besets us. I was inspired, touched and enlightened by this book and I pray it sets the same fire in you as it did in me to cleanse our own temples with His presense and importance. Whatever was written to worship leaders applies to all. Do you find yourself self conscious in worship well guess who your looking at. Do you find others and their worship distracting who are you looking at? Who is the center of your worship can you get lost in Loving the LORD and forget all around you. This and more is discussed with a heart to the answer Jesus. In chapter 9 a dichotomy is discussed

that very much spoke to my heart. Having found Christ or been found by Him we are filled with Him yet still hunger? In fact the Hunger and desire only increases. Well, if we are to never thirst then how is this possible, I let Matt answer that. Also the fire of justice and perfection is implanted in us as we know This isn't the way it ought to be. Very important and enlightening. A good companion to this book would be Lou Giglio's The Air I Breathe. GOD bless and enjoy and grow in the Grace and Knowledge of our LORD and Saviour Jesus Christ. It was in good condition and a great read and study book for small group. I found an online study guide that helped with scripture reference for a deeper study experience. Filled with excitement and abandon for a true worship experience through the Encouragement to let the Holy Spirit Reign.

Excellent Book by one of the reputable writers. The book deserves a 6 star rating. Simply awesome and inspiring

I would recommend this book to anyone who wants to get a renewed worship experience! Amazing Amazing Amazing! Great book!

Awesome!

If you are a worshiper or like to worship - this is one of the best books I have ever read to gain insight on a deeper understanding of worship. Matt Redman does an outstanding job of taking you from standing still to undone and unquenched. One of my fav and most used worship reference books ever!
