Customer Reviews

A good textbook. I found the information I was looking for my next course.

Great material

Difficult to read, but great cases. Im doing a Master in International Business/Trade/Commerce

This was a textbook for class and it served the purpose for completing the assignments -which is the reason for which it was purchased.

A good introduction to the legal aspects of international trade/foreign market penetration but I would have liked to see more detailed information.

Great product! Luv'd it!

Book was in awesome condition.

An excellent book
