Born To Pray: God's Secret For Your Success

Synopsis

We admire people that can move a crowd by their persuasive speech, but God delights in the person whose prayers can move Him. Nothing scares the devil more than a praying Christian and nothing ignites faith more than answered prayer. Prayer is the wealth of the poor even if you are a king. Prayer reminds us of our limitations and weakness, but opens our eyes to God's power and strength. It's my belief that God does not answer Prayer; He answers the earnest, persistent, faith-filled prayer of those that believe. Prayer is wealth, Prayer is power, and Prayer turns the impossible into the possible. Therefore we should believe and Pray! Pray! Pray!

Customer Reviews

“Elijah was a man with a nature LIKE OURS, and he prayed earnestly that it would not rain; and it did not rain on the land for three years and six months.” (from James) This book is an attempt to compress and encapsulate the world of Melvin Pillay into a story you can read on your Kindle or iPad. It's pretty hard to compress Melvin that far - it's kind of like trying

to fit your entire movie collection onto a CD. But he's made a valiant effort. We all know that even the most arcane endeavors can be elevated to the highest forms of art. Tattoos, skateboarding, quilting, audio equipment, Twitter, you name it. But not all activities have equal payoff and Melvin argues that prayer is the highest Return On Investment activity there is. I've dodged MANY land mines in my own life by listening when that still small voice nudges me - and I've paid dearly when I ignored it. So in this book, Melvin teaches you how to press in deep. And he tells you many of his personal stories.

It's difficult for most westerners to appreciate how far Melvin has come since growing up in poverty in South Africa. You'll be amazed at the stories he tells. This book is an easy read and I also recommend that if you ever get a chance to meet Melvin, TAKE IT. He's a rising star.

This is an easy and quick read (It took me about 5 nights reading before I went to sleep). Melvin does a very good job explaining the importance of prayer in public our personal and professional lives. I recommend this to any person of faith looking to develop a closer relationship with God.

I was afraid of Prayer. Afraid of doing it wrong. And truly paralyzed by the idea of it. By consistently being with Melvin and hearing how he prays I now pray for others and it is transforming lives! If you want to be amazing at something, model someone who is amazing. If you're looking for that model. Please consider this book.
