Customer Reviews

"I love this book. I sat down with a few friends to go through this book and see what shenanigans it held and we had a blast. Absolutely genius and loads of fun. Fantastic job and hats off to O'Neill. 256 pages of pure joy." --NerdProblems
"Your next go-to holiday, birthday, and bar mitzvah present...the book is just damn interesting. Flipping through aimlessly, you're bound to learn about something outrageous." --DigBoston
"This quiz [book] will get you ready for bar trivia night."
--Houston Chronicle

Michael O'Neill is the founder of Pop Quiz Team Trivia, which presents more than thirty games per

week. The company runs games throughout New England, and in Los Angeles, New York, and Louisiana. O'Neill has hosted more than 2,500 trivia games since 1997, amassing a database of nearly 20,000 trivia questions and facts.

Are you tired of sitting out the pub quiz night with your coworkers because you suck at trivia? It looks like so much fun but you're afraid you'll look like a dope? This book is the first step to upping your game and getting your trivia social life in order. This book really covers the basics if you're thinking about entering the bar trivia world. There are lots of super smart people out there and to compete you have to know the baseline of trivia facts. The book is easy to read and broken down in a way that makes sense. The content is informative but not overwhelming. There are tips and advice as well as facts. Get this book and the next time your coworkers ask you to go out for trivia say YES and blow their freakin minds with your big brain!

It's good, it's got great info. Mind you, This is not a book of questions, but a book of cool facts, many of them are common favorites of trivia game hosts, so knowing these things will likely help if you are a Pub/Bar trivia regular. My only complaint: The book is too short! A lot of white space on the pages. But it is definitely a fun book to browse. Authors, get to working on part 2 NOW! ;)

Not just a list of facts, this book is written like a good bar trivia game - a wide range of topics and levels of obscurity that will appeal to a large population. It is well organized by category, full of solid material, and provides hints and strategies for expanding your trivia repertoire. For anyone looking to increase their knowledge and impress their bar mates, this book will provide a solid foundation of information and an arsenal of wicked facts to take the top spot at the next trivia challenge.

This trivia book is one of the best I have ever read. It has well structured sections and covers a fun variety of clearly worded "useless knowledge." This book is a must read for anyone curious about interesting facts or trivia and will be critical for your local pub trivia game!

I bought some copies as holiday gifts for members of my trivia team and got a Kindle copy for myself. While I can't say it's helped us win at trivia (at least not yet), I enjoyed the book and am now loaded with fun facts and questions I can pose that have come in handy during work happy hour chitchat - I even bookmarked some for possible presentation openers. There's a lot of trivia here that's really interesting but that few people know!

good book with a lot of facts

A worth while trivia book.

Great book, I love the simple and easy layout of the material. I am going with four stars instead of five because this isn't a question and answer trivia book, rather it is numerous statements of trivia. When my friends are over I try to take the statements to create trivia questions from the statement but it would've been nicer if the author had gone to the trouble to do that for me.
