## **Customer Reviews**

Written by Brits, the guide is a good guide to travel in the country but is sometimes quite ignorant about the colonial history of the island and the struggle of the indigenous population to retain their traditions. Douglas Olcott, relative of Henry Steel Olcott the American who had a prominent role in the revival of Buddhism in that country and the founding of many schools there.

Reasonably detailed and helpful as we used it for self guided tours for the most part. It was also helpful in planning and organizing the vacation.

Sketchy coverage of sights

As usual. One of the best. Even better than... you know.
