Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

There is a lot of music in this anthology. The only problem with it is that it is all 20th century music. I love the Romantic and Classical eras and wish there was more repertoire specifically for the viola from them. This is a good anthology to have as long as one knows it is all 20th century music.

Wonderful collection of viola works! And, at such a great price! Other viola friends of mine also saw the worth in this anthology.
