# Wedding Planning On A Budget: How To Plan Your Dream Wedding, That's Beautiful, Elegant And Royal (step-by-step Guide) (Wedding Planning Ideas Book 1)

## Synopsis

Wedding Planning How to plan your dream wedding, that's beautiful, elegant and royal on a timeline that suits you (step-by-step guide) For today only, get this best seller book for only \$2.99! Usually priced at \$4.99. Read on your PC, Mac, smart phone, tablet or Kindle device. First things first, you're engaged! Congratulations! You're about to plan the most important day of your life. This is the ultimate wedding planning guide for any newly engaged couple, or for anyone thinking about marriage. I'll walk you through how to plan and execute the beautiful, meaningful and elegant royal wedding you have always dreamed of. That's right! Every girl dreams on having the perfect wedding (myself included). The kind of wedding your family and guests will remember in years to come. This is the biggest occasion of your life, it MUST be spectacular. There's just one problem, weddings are not cheap. The average traditional wedding costs \$29,000. That's more than the price of a brand new car. Well, I've discovered that it's possible to have your dream wedding, without breaking the bank, or taking on unnecessary debt. I'm going to teach you key tips, tricks and all my know-how on how you can plan the perfect wedding on a budget. Key topics you'll learn in this book...

Wedding Planning - The fundamentals you need to know about planning the perfect wedding on a budget  
How to save on Wedding Invitations  
Finding the perfect venue (budget friendly)  
How to save on the wedding reception  
Money saving wedding decoration ideas  
Wedding Dresses and Groom's Attire  
Saving money on the Wedding Cake  
Wedding Flowers (budget yet beautiful)  
Find the perfect Wedding Rings within your budget

## Customer Reviews

If you're thinking about planning a wedding you should definitely get this book regardless of your budget! The book is just so much fun to read. It goes over the most important aspects of a wedding such as invitations and venues, and manages to give critical information on reducing the costs. When planning a wedding you're definitely going to overlook a couple of things that could be done better or cheaper, this book is going to help you with those "overlookers" as I like to call them. In any case this book is a real eye opener.

Just what the doctor ordered. Weddings are no joke as my best friend Shelly will let you know right off the bat! After all, her wedding is in just 6 weeks and guess who the bride's maid is? My wife! She has gone absolutely bonkers since she heard the news and I'm going to so surprise her with this ebook. I think her friend's wedding isn't going to be a mess that we thought it was going to. This book is a god sent for any type of wedding planning. Got me kind of excited too :)

It is amazing how book cover from small idea from month of planning till wedding day. The book talks about planning fundamentals with details steps of the way. Book explains how to get decoration ideas to the wedding dress in great detail. Book covers all aspects of wedding plan with a budget.

This book covers it all. My brother's getting married next year and he asked me to help out. There's a chapter on all of the components from budget, to location, and decorations. There's so much that

goes into this special day, and this book gives great insight to each part.

This book has some great ways you can keep your expenses down and still have your dream wedding. Even if you just took one idea from this book you will save hundreds of dollars.

I was shocked when I realized it was so short. Not much info. Good web references. Just was hoping for more

I have a good feeling about the huge amount of savings we are gonna save! Thanks Jane Anne!
