# **I Can Be Happy, Too: A Book About Attitudes**

## Synopsis

In simple rhyme accompanied by Scripture verses and sweet, expressive illustrations, *I Can Be Happy, Too* teaches children that while we can't control the bad things that happen to us, we can control how we respond to disappointment and adversity. As essential as emotions are, they often prevent our children (and us!) from responding to the world in the best way. Learning how to respond to life's ups and downs positively empowers our children and helps them mature into emotionally healthy adults.

## Customer Reviews

This is a wonderful gift book for children. It is also a great way to facilitate discussions about feelings and attitudes with your children and grandchildren. I bought one to keep at my house for all children who enter. It is also a way to capture biblical quotes to everyday life and to bring those quotes to life. The graphics are adorable. Good job, Susan Howard.
