Jonathan Park The Winds Of Change #1: The Eye Of The Storm

Synopsis

Jonathan and Thad take refuge during an electrical storm. The intense heat from a dangerously-close lightning strike forms several fulgurites. The boys want to put them on display in the Brennan Museum of Creation, but two men will stop at nothing to steal them because of their belief that they possess mysterious New-Age powers. Later, a powerful hurricane is headed toward Daytona Beach and the Park and Brennan families join a scientific mission to drop sensors into the eye of the storm. That's when things go wrong, and the plane is forced to make an emergency landing right in the path of the storm. Join the two families as they fight to survive the wrath of Hurricane Ophelia! This is album 1 of 4 of The Winds of Change Series. This album contains three episodes.
