Captivating history, thorough condition reports, real-world prices, reproduction alerts--this sweeping guide is more than a standard price guide. With detailed descriptions of the pieces listed--right down to the length of hairlines and the position of flea-bite nicks--this essential reference guide offers the most accurate information. More than 1,200 color photographs displaying the beauty and brilliance of Roseville pottery accompany listings. Very few examples of pottery survive for decades without at least minor wear and damage, and the prices in Warman's Roseville Pottery reflect this reality. Identifying and evaluating a collection and deciding whether or not to buy just got easier!

Customer Reviews

it was ok but an with older pricing. had a lot of good information in it.

A great book on Roseville pottery. I am a new collector and it has really helped me identify the different patterns. Also, what to watch out for in a fake. The pictures are beautifulul

Great book.

I found the pieces of pottery I was looking for, but I needed to have an individual price, not groups of two or three.

The book has all the Roseville items I want to view. It is beautiful, The price was 'right'. And, it was delivered to me quickly. Thanks, Great Job !!!

Gives you just about anything you need !

Nice to refer quick guide

It's a guideline to go by. I still needed to go on the internet to find the particular pieces that I own.
